## About this document

The Financial Services Guide and Credit Guide (FSG) is a guide required by law to be given to all clients prior to the provision of any financial and or credit product advice and services.

This guide consists of two parts. This document is Part 1 of the FSG and contains important information about:

- Who we are;
- The services we are licensed to provide;
- Processes we follow when providing advice;
- How we and our associates are paid;
- How we handle your personal information;
- Any potential conflicts of interest; and
- How complaints are resolved.

Part 2 of this FSG is the Adviser's Profile which introduces to you your Adviser and contains information about the services your Adviser can provide on behalf of The Advice Exchange.

Please take a moment to fully read Part 1 and 2 of the FSG and retain this for future reference, as it contains important information required to assist you in making an informed decision about the services before engaging in them.

References in this Guide to 'me', 'I', 'us', 'we', 'their' and/or 'our' should be read as either The Advice Exchange or your Adviser and their company as Authorised Representatives of The Advice Exchange.

## Licences and Responsibilities

The Advice Exchange holds the Australian Financial Services Licence and Credit Licence No. 278937. The Advice Exchange is a wholly owned subsidiary of Advice Exchange Solutions Pty Ltd, which is owned by The Advice Exchange's Advisers, directors and staff.

The Advice Exchange is therefore responsible for the financial advice and services its Advisers (Authorised Representatives) provide. Our primary responsibility and priority, and that of your Adviser, is to you.

We are licensed to provide personal financial product advice and deal in the following financial products:

- Deposit products;
- Government debentures, stocks or bonds;
- Life investment and Life risk products;
- Managed Investment Schemes, including Investor Directed Portfolio Services (IDPS);
- Managed Discretionary Account Services;
- Securities (shares);
- Superannuation products;
- Retirement Savings Accounts;
- Standard Margin Lending Facilities.

We are also authorised to provide credit advice for loans regulated by the National Credit Code (NCC).

The NCC applies to loans to individuals where the loans purpose is wholly or predominantly for personal and residential purposes.

The Advice Exchange only offers limited credit advice services. These include:

- Strategic credit advice, not specific credit product advice or assistance; and
- Referrals to finance brokers or credit providers.

#### **Not Independent**

Because The Advice Exchange Pty Ltd receives commissions from life insurance companies, neither it nor its Wealth Advisers are independent, impartial or unbiased. The Corporations Act states that if a licensee receives commissions from a product issuer it cannot claim to be independent, impartial or unbiased.

#### **Your Adviser**

The Adviser's Profile (Part 2 of this FSG) will detail the advice and services your Adviser is authorised to provide as an Authorised Representative of The Advice Exchange.

The type of services you receive will depend on your individual objectives, financial situation and needs. You can select from the wide range of financial services offered by The Advice Exchange. These may include:

- Financial planning and structuring;
- Wealth accumulation strategies;
- Retirement planning & pensions;
- Superannuation and rollover advice;
- Self-Managed Super Fund (SMSF) advice;
- Personal & Business risk insurance;
- Assistance with Business succession, transition and asset protection planning;
- Cash flow advice;
- Centrelink financial planning advice;
- Access to Managed Discretionary Account (MDA) services;
- Assistance with Estate planning; and
- Portfolio review and ongoing advice services.

## **Credit Services**

The Advice Exchange does not authorise any of its Advisers to recommend any specific credit product and/or provide credit assistance, recommendations or statements intended to influence you to retain or make changes to your existing credit products.

Your Adviser may discuss factual information about the structure, features and benefits of your loans generally, however your Adviser is not authorised to transact on a specific credit product and/or any credit product you hold. This means they will not suggest you apply for an increase to your credit limit and/or suggest you maintain and/or apply for a new credit contract.

Your Adviser may refer you to a fully authorised Mortgage and Finance Broker under a separate ACL. Where we provide you with strategic credit advice, we may charge fees for the preparation and presentation of this advice. These fees will be based on your individual circumstances and the complexity of the credit advice you require. We will discuss and agree upon the fees and any other fees or charges with you before we provide any advice when referring you to a Mortgage and Finance Broker.

## **The Financial Planning Advice Process**

The advice process begins with an initial consultation. This involves getting an accurate picture of where you are now, identifying your goals and looking at broad strategies to help you reach those goals.

After our initial consultation, you will need to decide whether you wish to engage our services which may include advice, implementation or other services designed to meet your individual needs. Any advice we provide will be presented in an advice document.

It is important for you to understand and accept the various risks inherent within the investments and strategies recommended before you proceed with implementation.

The final stage of the process is to ensure your strategies continue to meet your changing needs and circumstances, taking into consideration financial markets, product developments and any legislative changes, by undertaking regular portfolio and strategic reviews.

## **Statement of Advice (SoA) Document**

Because each client has individual needs which affect the structure and detail of their financial situation, the disclosure of all benefits, commission or fees specific to your arrangements will be provided to you in the Statement of Advice (SoA) document. This document will confirm the financial advice being given and the basis that advice has been developed. It will also include a disclosure of all benefits and potential conflicts of interest that you need to be aware of to make an informed decision.

## **Record of Advice (RoA) Document**

If we provide further financial advice to you, and that further advice is related to the advice we provided to you in a Statement of Advice and your personal circumstances have not changed, a Record of Advice (RoA) will be used. The RoA will be communicated to you and/or will be added to your file and you may request a copy at any time up to 7 years from the date we gave that further advice to you. You can request the ROA by contacting your Adviser or The Advice Exchange in writing, by telephone or by email.

## **Product Disclosure Statement (PDS) Document**

If we recommend a financial product, you will be provided with a Product Disclosure Statement (PDS).

The purpose of the PDS information is to explain to you all the features, benefits, fees and risks. It is therefore imperative that you read and understand any PDS provided by your Adviser before you make any decisions relating to a financial product recommendation.

## **Managed Discretionary Account (MDA) Document**

Where our recommendations include utilising a Managed Discretionary Account (MDA) Service to manage your investments, you will be provided with the service providers own Financial Services Guide (FSG) and Investment Program.

Each year your Adviser will review the appropriateness of this service to ensure it continues to be appropriate for you.

## **Your Instructions**

You may specify how you would like to give us instructions, for example, by email, telephone, fax or other means. These instructions and any changes to these instructions should be provided in writing to us. In ensuring your interests are always protected, we require your ongoing instructions and authority before we can proceed with any implementation. In most cases, we will require you to provide us with a signed or expressed authority before we can proceed.

## **Ongoing Service**

To help ensure that you have peace of mind we suggest that you take advantage of our ongoing service offering.

This service is customised to suit your needs and includes an annual review of your portfolio, and access to your adviser. The review service is designed to ensure that your investment continues to meet your goals within any legislative changes, market changes and/or changes to your personal circumstances or requirement.

## **Fee Disclosure Statements and Annual Consent**

A Fee Disclosure Statement (FDS) will be issued to you in instances where you have entered into an Ongoing Fee Arrangement with your Adviser for a period greater than 12 months.

The FDS will contain information about the services you were entitled to receive, the services you received, and the fees you paid during the preceding 12 months. It will also contain information about the services you can expect to receive and ongoing fees to be paid in the next 12 months.

Where you have entered into an Ongoing Fee Arrangement for a period greater than 12 months, your consent to continue the Ongoing Fee Arrangement must be renewed annually.

This renewal requires you to elect to renew or terminate the ongoing fee arrangement for ongoing advice and services provided, and to notify your Adviser of this election within 120 days of the anniversary of your agreement.

## Complimenting Services

Your Adviser may provide services other than financial planning services under another business name or corporate entity. For example, they may also act as your accountant or legal adviser or advise you on real estate investments or finance needs. Where they may provide these other services, you should understand that these other services are not provided under The Advice Exchange's AFSL and ACL.

You should always conduct your own enquiries into any services referred to you by your Adviser which are outside the responsibility of The Advice Exchange.

## How Your Adviser is Paid

Your Adviser is generally remunerated by fees charged at a fixed rate for the services provided or may be calculated on a percentage of your investable funds. Your Adviser may also receive commissions, payments, or other benefits from product providers.

All fees will be subject to your prior approval and ultimately determined based on the complexity of your situation and the time it takes to prepare personal financial advice for you. Full details of all fees and commissions for financial and credit services will be provided to you in a Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements (PDS) at the time of receiving any recommendation.

## Initial Advice Fees

Your Adviser generally charge fees for the preparation, presentation, and implementation of our advice. These fees will be based on your individual circumstances and the agreed fee will be determined by the time and complexity involved.

Where you require non-advisory implementation services, a fee will be pre-agreed based on the time it takes to implement your instructions.

## Ongoing Advice Fees

This fee will be agreed with you and Your Adviser and is either set at a fixed amount based on the time cost of the ongoing advice package, or an amount based on the amount of funds under our advice. The actual ongoing fee charged will depend on the complexities of your affairs and the amount of funds under management. The paragraph 'Fees' below outlines a range of fees charged by your Adviser that you can expect.

Where any changes are significant and require the development of a new SoA, an additional pre-agreed fee may apply in addition to your existing ongoing service fee arrangement.

## Fees

Before undertaking any work or providing advice, we will quote you based on the following, are inclusive of GST and payable by you at the following stages:

2. **Limited Financial Planning Advice:** A personalised Statement of Advice (SoA), where a plan preparation fee (\$660 up to \$3,300) is payable.

3. **Implementation Fee:** An implementation fee to implement the advice recommendations in the Statement of Advice (SoA) plan may also be charged. These are payable when you decide to proceed and implement any of our recommendations. The actual fee will depend on the complexity of your situation and the amount of funds invested, but will not exceed:
  - a. a range from \$440 (minimum) to \$5,500 (maximum); or

5. **Note:** All fees will be subject to your prior approval and ultimately determined based on the complexity of your situation and the time it takes to prepare personal financial advice for you. ### Payment for Services - Insurance

For insurance risk products, your Adviser or their company will receive either:
